

TechMart Electronics - Pricing & Price Match Policy

Price Match Guarantee:

TechMart offers a price match guarantee against major authorized electronic dealers (including BestBuy and Amazon). The matched item must be in-stock and identical in brand, color, and model.

Matching Period:

Price matching requests can be processed at the initial checkout or within 14 days of purchase. If matched within 14 days, the price difference will be refunded to your original payment method.

Exclusions:

Price matching does not apply to clearance events, holiday promotions (e.g. Black Friday or Cyber Monday), refurbished items, or typographical errors in competitor pricing.

Sales Taxes:

Appropriate sales taxes are determined based on local municipal tax laws and the shipping destination address.
