

TechMart Electronics - Limited Manufacturer Warranty

Warranty Period:

All new consumer electronics sold by TechMart carry a 1-Year Limited Manufacturer Warranty from the original date of purchase. Refurbished hardware items carry a 90-Day Limited Warranty.

What is Covered:

This warranty covers physical defects in materials and craftsmanship when the product is operated under normal conditions according to my user documentation.

What is NOT Covered:

The warranty is voided in cases of physical drops, screen fractures, water immersion, electrical surges, unauthorized modifications, or cosmetic scratch wear.

How to Make a Claim:

Warranty inquiries should be routed to warranty@techmart.com. Claims must include the product's unique serial number, purchase receipt, and a brief description of the hardware defect.
